About the Author

David Hamme is the managing director of Ephesus Consulting, a boutique-consulting firm based out of Davidson, North Carolina that focuses on driving game-changing initiatives for its clients. Prior to founding Ephesus, David worked as a management consultant for Ernst & Young and The North Highland Company and has served as an executive in Lowe's Home Improvement's \$3B Installation Business Unit. As a leader at Lowe's, David oversaw the strategic planning, marketing, product management, pricing, new product development, and sales functions.

As a consultant, David's experience spans Strategic and Business Planning, Process Analysis, Design, and Management, Enterprise Cost Reduction, Performance Management, Program and Project Management, and Executive Coaching. Over an 18-year career, David has completed projects for over 30 clients including such recognizable names such as GE Capital, Kellogg's, Bank of America, Wells Fargo, Family Dollar, Delhaize USA, Fifth Third Bank, Lowe's Home Improvement, Time Warner, and Duke Energy.

David earned his BS in Industrial Management and Electrical Engineering from Purdue University, and an MBA in Finance from Indiana University's Kelley School of Business.
